Dated Bangalore, 5 May 1925.

GENL. & REV. SECTT. FROM 5. MAY 1925 To G. D. SECTION.

REV SECRETARIAT 6-MAY 1925 MUZRA

JOHN BHORE, Esq., A.M.I.C.E., Etc.,
Chief Engineer of Mysore,
Bangalore.

K. V. Anantaraman, Esq., B.A.,
Secretary to Government,
Revenue Department,
Bangalore

SIR,

With reference to G.O.No.1176-8/Muz.130-24-7 dated the 3rd February 1925 sanctioning estimates for repairing certain temples at T.Narsipur that sustained damage owing to floods of July 1924, I have the honour to forward herewith, for favour of very early sanction, an estimate amounting to Rs 2,614 for repairing the Bhikeeswaraswami Temple and the bathing ghat around it, received from the Muzrai Commissioner in Mysore.

2. The report by the Executive Engineer accompanying the estimate explains the provisions made therein.

3. The estimate has been got up by the Executive Engineer in consultation with the Deputy Commissioner, Mysore District. This office has countersigned the same in token of his approval thereto.

4. This temple is adjoining ~~to~~ the Sri Agastheswaraswami Temple, the principal shrine of the town. The funds at its credit on 30th June 1924 being very limited, being only i.e., Rs 423-1-2, the Deputy Commissioner proposes that the cost may be met either from the State grant of the current year or from the special grant sanctioned to the P.W.D. for flood damage.

As the state grant for the current year is all exhausted, the Muzrai Commissioner recommends that the amount required may be allotted from savings of the interest earnings of the General Muzrai Fund.

The special grant sanctioned for flood damage works for the P.W.D. has also been distributed and no funds can be spared by the P.W.D.

5. The file of correspondence received from the Muzrai Commissioner on the subject is also herewith forwarded for perusal.

I have the honour to be,

sir,

your most obedient servant,

S. Lakshmana Rao

For Chief Engineer of Mysore.

Letter No.C.59/24-25 dated 4/5th March 1925 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

"In continuation of this office letter No.C.199/24-25 dated 5-10-24 and 5-11-24 forwarding for sanction certain estimates in connection with the damages caused by floods during July last to some ghats and Temples in T. Narsipur Taluk, I have the honor to state that the Executive Engineer, Mysore forwarded for sanction with his letter No.34 dated 22/23rd July 1924 an estimate, with plan, for Rs.3,762/- for repairing the Bhikshesswaraswamy Temple and Bathing Ghat at Kendanakoppal in T.Narsipur Taluk. This estimate was sent to the Sub Division Officer, Nanjangud, for furnishing his opinion, together with the views of the Dharmadarsis as to whether the repairs were of such an urgent nature as to be undertaken ---- immediately, with information as to the funds available at the credit of the Temple.

The Taluk Amildar reported to the Sub Division Officer that the Dharmadarsis were of opinion that as the funds at the credit of the Sri Agastheswaraswamy temple to which the Sri Bhikshesswaraswamy temple is attached, was very limited, the present estimate for Rs.3,762 could not be met out of the funds of the said temple and that certain more urgent repairs to institutions attached to Sri Agasth swaraswami temple should be effected etc., The Sub Division Officer, Nanjangud, while forwarding the above report of the Amildar stated after a joint inspection of the place with the P.W.D.Sub Division -- Officer, Mandya, that the whole portion scoured out by floods need not be filled up, that only a portion need be taken up after --- reconstructing the western wall that had collapsed and that the estima under the circumstances needed modification.

As I had also noticed that such reduction was possible, I returned the estimate for Rs.3,762/- to the Executive Engineer, Mysore for favour of scrutiny and modification, with the suggestion that it would suffice if the existing bank slopes were protected instead of -- attempting to fill in the scoured portions to secure the old line.

The Executive Engineer has now forwarded a revised estimate for Rs.2619/- including Establishment Tools and plant charges, with

his

his letter No.221 dated 19/20th January 1925

The estimate is sent herewith duly countersigned with a sanction may kindly be accorded thereto, the charge being met the current years State-grant or from the special allotment made by Government to the P.W.D. for repairing flood damages."

"C o p y"

for Muzrai Commissioner. 19/3/25.
